NAYGN: An Introduction and Our Value

[YouTube Video Link](#)

2015: By the Numbers

- 93,000+ member volunteer hours
 - 55,000 people reached with public outreach initiatives
 - 35,000+ hours spent on professional development
 - 23,000+ hours spent on public outreach and community service
- Organizational surpassed 14,000+ total members
- 3,000+ 4th and 5th grader participated in the 2015 drawing contest – over 20 of their drawings were featured in National Nuclear Museum of Science
- 1,000+ postcards sent to state and local officials during the 2nd annual Postcard Push Day
- 320 attendees at the 2015 conference in Washington DC
- 24 corporate sponsors
- 15 chapters represented at the 2015 Atlantic-Northeast Regional Conference

All working towards 1 vision:
Developing leaders to energize the future of nuclear

2015 Key Accomplishments

Professional Development

- Annual conference & workshop in Washington DC
- Young Professional Congress co-hosted with ANS Young Members Group
- Small Modular Reactor webinar hosted with NuScale
- “Moments of Greatness – Discovering Who You Really Are” webinar hosted with Robert Quinn of the University of Michigan

Public Information

- Hill Day - visits to Capitol Hill by NAYGN conference attendees
- Postcard Push Day – coordinated postcards sent to state and local officials during National Nuclear Science Week
- Drawing contest – presentations by members of 19 chapters to over 3000 4th & 5th grade students on nuclear power, followed by a continental drawing contest

Knowledge Transfer and Retention

- Work on the Hub (industry wide knowledge transfer and retention program) continued; pilot phase planned to roll out in 2016

Recruiting and Retention

- Career awareness webinar series hosted for colleges and high schools
- Benchmarking/career survey issued to members, one third of active members respond

Networking

- Atlantic & Northeast joint regional conference
- Carolinas region hosted ten localized regional events
- Midwest regional conference

Organizational Initiatives

- Continuing to partner with and supporting organizations with complementing visions; ANS, CNA, CNS, INENS, INMM, INPO, IYNC, National Nuclear Science Week, NEI, Nuclear Matters and WIN
- NAYGN presence and promotion at industry conferences, including:
 - WM Conference
 - INMM & ANS Cyber Security Conference
 - ANS Utility Working Conference
- New website and improved membership database
