2017 NAYGN Impact Initiative

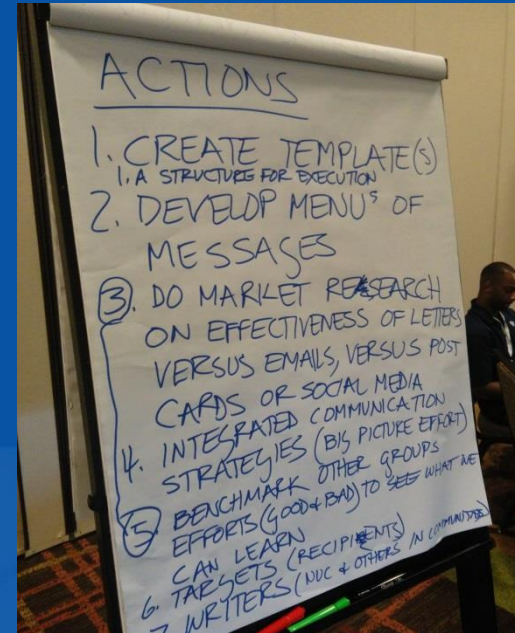

Government Outreach: Letter Writing

- Goal: Inform government officials on the benefits of nuclear energy via letter writing campaign.
- Challenge: Typical fact based letters about the benefits have fallen on deaf ears due to the stigma of nuclear.
- Task:
 - 1. Develop interesting and creative paragraphs that can be used in form letters about different benefits of nuclear.
 - 2. Come up with other ways to change the conversation about nuclear.

2017 NAYGN Impact Initiative

Government Outreach: Letter Writing

- Kicked off initiative in group session at NEA
- From this kickoff developed party specific template letters
- Goal for every elected official to receive these letters

Ralph S. Northam
Governor of Virginia
PO Box 16249,
Arlington, VA 22215

Dear Governor Ralph S. Northam,

I represent the Atlantic Region of the North American Young Generation in Nuclear (NAYGN) and our mission as an organization is to provide opportunities for a young generation of nuclear engineers to develop leadership and professional skills, engage and inform the public, and inspire today's nuclear professionals to meet the challenges of the 21st century. On behalf of our chapter, I would like to thank you on your victory in the recent election. As part of your new position, you will be involved in the resolution of many issues. To that end, we would like to offer some information about nuclear energy.

- **Safety** - The safe operation of America's nuclear plants is the industry's top priority. Nuclear power plants are among the safest industrial facilities due to highly-trained personnel, stringent federal regulations,

2017 NAYGN Impact Initiative

Government Outreach: Letter Writing

- Atlantic Region piloted these templates in 2017 for Virginia elections
- Sent to 21 newly elected public officials

Hub Update

- No longer moving forward with Hub Project
- Project won the 2014 Innovation Competition
 - Industry wide knowledge transfer hub
- Ownership/maintenance of a technical knowledge transfer hub was outside the capabilities of our grassroots, volunteer organization
- Focusing our energy, support, and funding into some new and exciting projects that will benefit our members and the greater organization in 2018!
- Questions? Contact Christine at vp@naygn.org

Duke Event in Raleigh, NC

- In January, members of Duke NAYGN gathered in Raleigh to learn new skills and develop a better understanding of the utility business.
- Attendees spent the morning in an emotional intelligence workshop followed by updates on rate cases and how our nuclear plants are working smarter using metrology and 3D imaging.
- The chapter's officers stayed for an additional day to develop leadership skills and plan employee engagement and professional development opportunities for 2018.
