

# August 2018 Local Chapter Leads Meeting

Matthew Mairinger, Canadian Affairs Chair ([Canada@naygn.org](mailto:Canada@naygn.org))

August 22, 2018

# Why is Maria not Leading this?

- Don't worry - Maria is still U.S. Affairs Chair
- LCL calls are for all chapters in North America so Maria and I thought it would be a good idea to occasionally alternate hosting the calls
- This will help with the turnover process as the U.S. Affairs chair position comes up for election in 2019

# Agenda

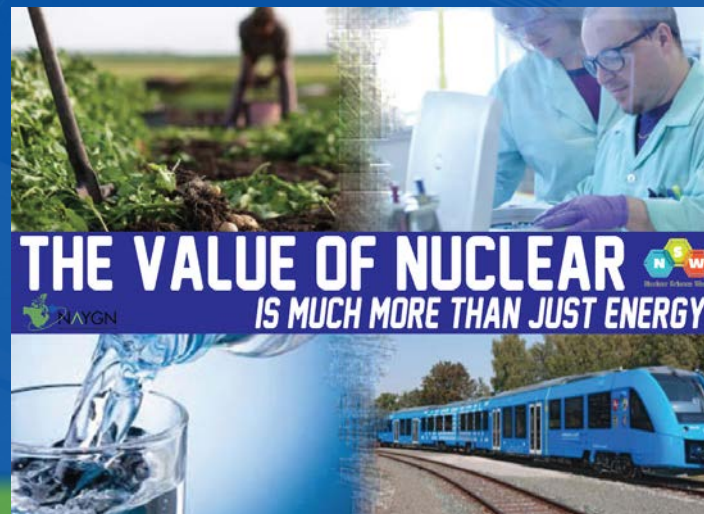

- Core Updates
  - PI
  - PD
- A broader nuclear perspective
- Regional Events
- Metrics
- Best Practices – Palo Verde
- Announcements and Reminders

# Best Practices – Palo Verde

- On August 16<sup>th</sup> they held a viewing of the NAYGN conference keynote speaker, Andy Worshek, from “Turn the Ship Around”.
- 33 NAYGN members who were unable to attend the conference participated in this viewing.
- Unexpected finding: their VP of operations was in the U.S. Navy at the same time as David Marquet and they actually knew each other at the academy – just another reminder of how connected everyone in the nuclear industry is!
