What is NAYGN?

North American Young Generation in Nuclear (NAYGN) is a 501(c)(6) non-profit organization which provides opportunities for a young generation of nuclear enthusiasts to develop strong leadership and professional skills, create lifelong connections, engage and inform the public, and inspire today's nuclear technology professionals to meet the challenges of the 21st century.

In 1999 NAYGN was established, and consists of 100+ chapters across North America.

How to get involved:
- Click here to register as a member (free): https://naygn.org/register/ to gain access to NAYGN content and to receive our email newsletter.
- See which chapter is in your area https://naygn.org/chapters/chapter-list/ and email the chapter president to be added to the local distribution list to find out about upcoming events
    - If there is no chapter and you are interested in learning about starting a chapter reach out to Canada@naygn.org or USA@naygn.org and vp@naygn.org. There is also information here: https://naygn.org/chapters/start-a-chapter/
- Support nuclear legislation https://naygn.org/take-action/#/
- Get involved with our various committees: https://naygn.org/get-involved/
- Attend the annual regional conference in your area and/or the annual national conference

Our Resources:
- Career reports, strategic documents, conference materials, presentations, brochures, etc. are all here: https://naygn.org/member-center/resource-library/ (note you need to be a registered member to access this area).
- Learn about the NAYGN children's books and annual drawing/essay contests https://naygn.org/committees/public-information/literacy/ and https://naygn.org/committees/public-information/student-outreach/
- Learn about your peers and trends in the industry (pay, gender/DE&I details, job satisfaction, etc.) with our biennial career reports https://naygn.org/committees/organizational/benchmarking/
