

## Highlights of 2017

- NAYGN's children's book *Marie's Electric Adventure* released, with 10,000 copies distributed to our chapters and hundreds of members reading in schools. Also partnered with IYNC to print a Spanish version.
- *Innovating our Impact* program launched, with 8 chapters submitting funding proposals for 2018 implementation.
- Hundreds of participants in NAYGN's *Nuclear is Hot* challenge, reaching over 46,600 people.
- Both Canada and Southeast regions had their highest activity of the last 5 years.
- Invited to meet Secretary Rick Perry and form the Millennial Nuclear Caucus.
- Partnered with ANS to support both the K-12 Initiative and the Big Event in Idaho Falls.
- Partnered with NEI to Host the NEA, bringing hundreds of young members and hosting sessions on generational leadership, nuclear policy, industry branding, and more.
