August 2018 Local Chapter Leads Meeting

Matthew Mairinger, Canadian Affairs Chair (Canada@naygn.org)
August 22, 2018
Why is Maria not Leading this?

• Don’t worry - Maria is still U.S. Affairs Chair
• LCL calls are for all chapters in North America so Maria and I thought it would be a good idea to occasionally alternate hosting the calls
• This will help with the turnover process as the U.S. Affairs chair position comes up for election in 2019
Agenda

• Core Updates
  – PI
  – PD
• A broader nuclear perspective
• Regional Events
• Metrics
• Best Practices – Palo Verde
• Announcements and Reminders

All regions now reporting!
On August 16\textsuperscript{th} they held a viewing of the NAYGN conference keynote speaker, Andy Worshek, from “Turn the Ship Around”.

33 NAYGN members who were unable to attend the conference participated in this viewing.

Unexpected finding: their VP of operations was in the U.S. Navy at the same time as David Marquet and they actually knew each other at the academy – just another reminder of how connected everyone in the nuclear industry is!
