TVA's Energy Mix: Modern, Clean

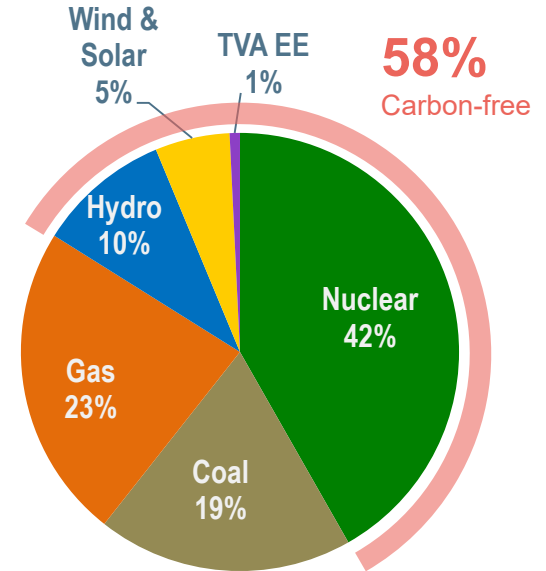

FY07
179 TWh

FY19
162 TWh

FY28
165 TWh

Nuclear Energy Institute estimated that 39% of the nuclear workforce reached retirement age in 2018 meaning the industry will have to hire 20,000 new workers over the next four years to replace retirees.

is the
**NUCLEAR
FUTURE**

NUCLEAR
is the FUTURE
