

# NAYGN

NORTH AMERICAN YOUNG GENERATION IN NUCLEAR

## NAYGN continues working towards goals in Diversity and Inclusion.

- Signatory advocate for EHRC Leadership Accord and Equal by 30
- MOUs in progress with NSBE, CNS, CNA, and Canada WiN
- Member videos on "What does diversity and inclusion mean to you" and "In 5 years, what does a diverse and inclusive workforce for nuclear look like?"
- D&I leadership workshop on "The Power of Being an Inclusive Leader"

## NAYGN is finding opportunities to get involved in industry led initiatives and policy changes.

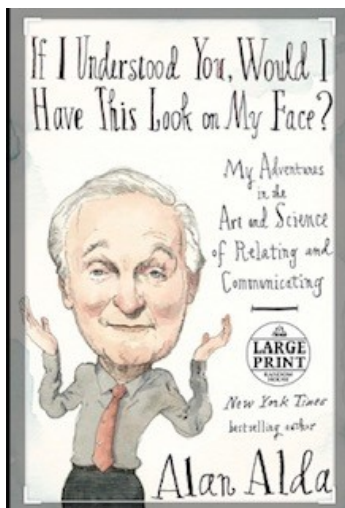

- Submitted a SMR action plan to Natural Resources Canada.
- Use of SoftEdge tool for tracking nuclear legislation and calls to action
- Nuclear Matters campaign in IL
- Nuclear Policy Advisory Council formed

## NAYGN chapters participated in Nuclear Science Week from October 19-23.

- Post Card Push Day using a GIF to legislators highlighting nuclear power
- Annual Essay Contest kick-off
- Virtual Classroom visits
- Carolina's Regional Conference
- NSW virtual "Big Event" and webinars

## NAYGN chapters continue to stay engaged!

- V.C. Summer created a video about the "Basics of Nuclear Energy"
- Chalk River performed Adopt a Road Clean-ups
- Members participated in several ANS virtual trivia nights
- Bruce participated in a Habitat for Humanity event

## The virtual PD Committee continues to provide engaging content for members!

- Nadia Bilchik hosted a webinar on "Maximizing Your Virtual Presence - Collaborating & Leading Remotely"
- Bruce Power hosted a Lunch & Learn on its Medical Isotopes program
- NAYGN partnered with CNA and Generation Atomic for "Breaking Out of the Nuclear Bubble: Young People's Impact on Nuclear"
- PI hosted a 3-Part "Communicating Science" webinar series with workshop
- Lunch and Learn with Alithya
