

What is NAYGN

NAYGN is a non-profit organization which provides opportunities for a young generation of nuclear enthusiasts to develop strong leadership and professional skills, create life-long connections, engage and inform the public, and inspire today's nuclear technology professionals to meet the challenges of the 21st century. NAYGN was established in 1999 and now consists of 100+ chapters across North America. The four cornerstones are: professional development, public relations, community outreach and membership/networking.

Frequently Asked Questions

Q: Why should I join NAYGN?

A: Joining NAYGN is free and simple. Members receive regular email updates on current events and activities relevant to the nuclear science and technology community. NAYGN members can also get involved with their local chapters.

Q: I don't necessarily consider myself young, can I still join?

A: Yes, you can join NAYGN regardless of your age.

Q: What kind of time commitment is there being a part of NAYGN?

A: You get to choose the level of involvement in the local chapter of NAYGN. The local chapter provides opportunities and you choose which activities you would like to participate in.

If you have any additional questions or would like to get involved at the continental level check out current opportunities at www.naygn.org/get-involved or email info@naygn.org
