We created the NucLEADers professional development cohort. This program provides:

- 16 hours of customized leadership and communications training provided by our partners Dale Carnegie
- 6 hours of interactive senior executive subject matter expert panels discussing the learned topics
- Monthly career focused discussion sessions with a small group of participants called a Cohort Compact
- **60% of our cohort participants received promotions during their time in the program!**

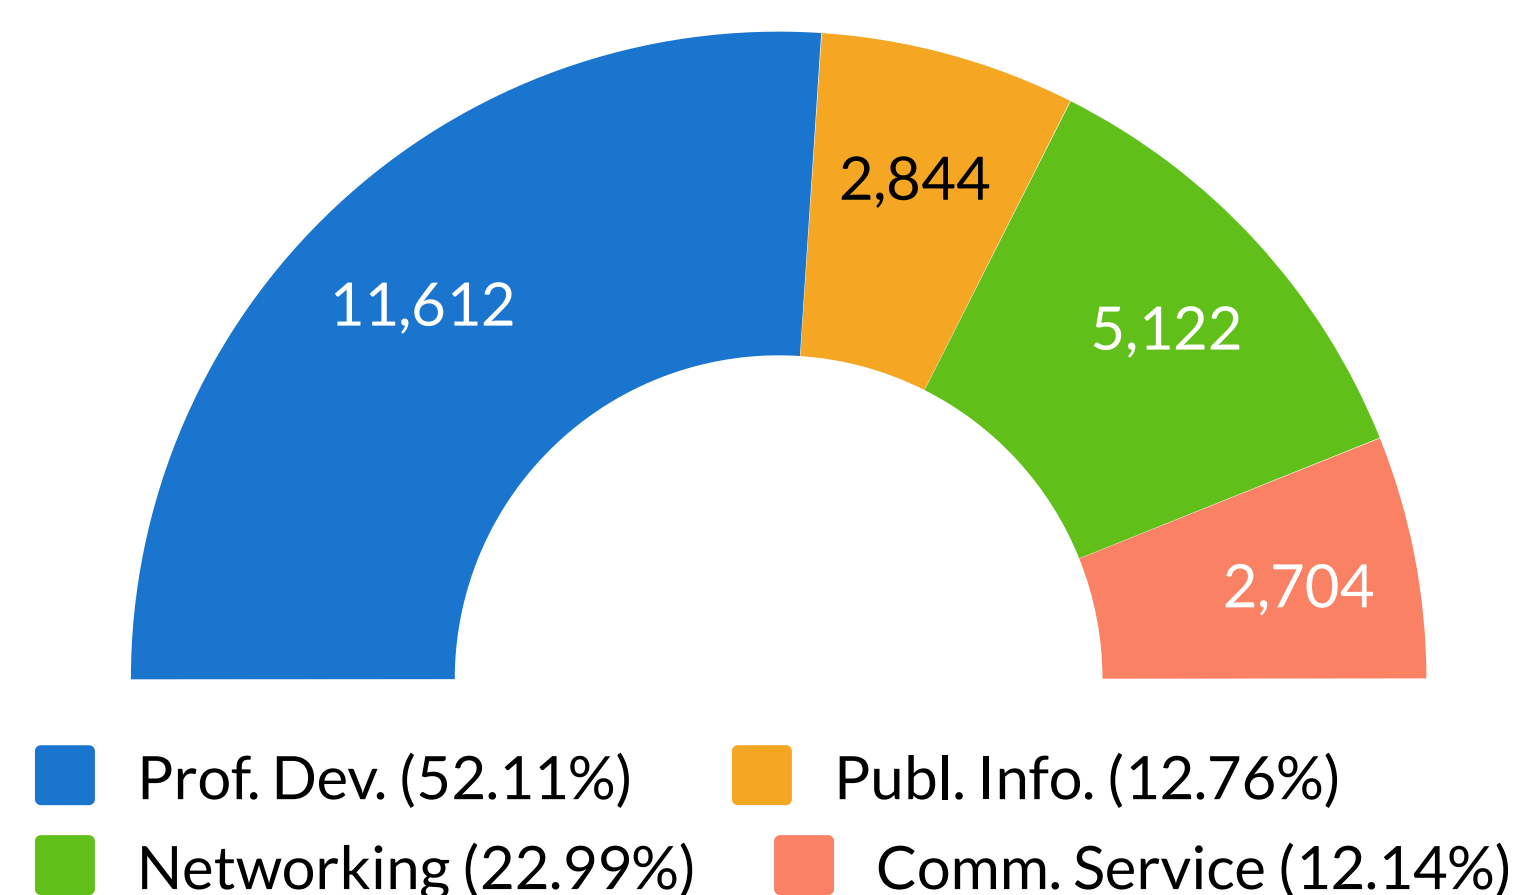

NAYGN continued our Professional Development efforts by hosting the following events:

- First virtual annual conference
- Five regional conferences
- Webinar on how to Stop Overthinking and Start Making Confident Decisions with Jenn Masse
- Atomic Habits book club

In partnership with the Nuclear Innovation Institute (NII), NAYGN released our third book entitled *Passing Gas* which guides readers through the causes and effects of carbon emissions- seen through the eyes of fluffy yellow ducks, who are simply trying to keep the world clean
