

## WHAT IS NAYGN?

North American Young Generation in Nuclear (NAYGN) is a fully volunteer-led non-profit organization which provides opportunities for a young generation of nuclear enthusiasts to develop strong leadership and professional skills, create life-long connections, engage and inform the public about nuclear science and technology, and inspire today's nuclear professionals to meet the challenges of the 21<sup>st</sup> century.

NAYGN was established in 1999 and now consists of 100+ chapters across North America.

Our four pillars are:

- Professional Development
- Public Information
- Networking and Mentorship
- Knowledge Transfer

## CHAPTER LEVEL

Become an NAYGN member (for *free*) at [naygn.org/register](https://naygn.org/register) to receive updates about upcoming events.

With so many chapters out there already,

there's a good chance you have an NAYGN chapter near you! Visit [naygn.org/chapters/chapter-list](https://naygn.org/chapters/chapter-list) to see a list of our chapters across North America, local chapter contacts, and Region Leads. Reach out to the Chapter or Region Lead to join and let them know if you're looking for a leadership role!

If there are no chapters near you, you can start one!

Check out [naygn.org/start-a-chapter](https://naygn.org/start-a-chapter) to learn more.

## WHO WE ARE

Our members are supported by their respective Region Leads. In turn, our Region Leads are supported by a Board of Directors, affectionately known as the "Core".
