

CHAPTER RAFFLE-TICKET CHALLENGE

Nuclear Science Week Children's Book Reading Outreach Challenge

Read. Inspire. Earn raffle tickets.
Celebrate Nuclear Science Week 2026.

Bring nuclear science to your community

Visit a school, library, or youth organization and read Marie's Electric Adventure, George's Energy Adventure, or both. Use the NAYGN Children's Book Outreach Guide to add a discussion, demonstration, or hands-on activity.

GRAND PRIZE

Chapter Student Outreach Package

Includes NAYGN merchandise, children's books, reusable classroom activity materials, and NAYGN outreach supplies to support future chapter events.

PACKAGE VALUE OVER

\$200

CHALLENGE DATES

OCTOBER 19–23, 2026

Challenge – Fill out form](#)

Every meaningful outreach action earns tickets

Raffle-ticket scoring

Start with 5 tickets for each verified event, then add bonuses.

OUTREACH ACTION	TICKETS
Complete one verified book-reading event	5
Reach at least 25 children	+2
Reach at least 50 children	+3 more
Read both children's books	+2
Use an activity from the outreach guide	+2
Donate a book or educational resource	+2
Visit a new school or organization	+3
Include 3 or more NAYGN volunteers	+1
Submit an approved photo and short recap	+2
Receive educator feedback	+1
Schedule a future outreach activity	+2

MAXIMUM: 50 TICKETS PER CHAPTER

The cap keeps the raffle competitive for chapters of every size.

What each chapter submits

- Chapter, event date, and location
- School, library, or youth organization
- Grade/age group and children reached
- Number of NAYGN volunteers
- Book(s) read and guide activity used
- Resources donated or left behind
- Short recap and approved photo, if permitted
- Educator feedback and future interest

Protect student privacy

Do not submit children's names or identifiable information. Follow the host organization's photo policy.
